**ANNOUNCEMENT**

The Hellenic Statistical Authority announces the replacement of the Press Releases of Consumer Price Index and the Harmonised Consumer Price Index of October 2015, after corrections made to minor errors that occurred during the writing of the press releases.

More specifically, the following corrections were made:

CPI: Consumer Price Index for education has been corrected at 89.90 from 89.70 and the Overall Consumer Price Index at 106.32 from 106.31.

HICP: The Harmonised Consumer Price Index for education has been corrected at 104.80 from 104.57, and the Overall Harmonised Consumer Price Index at 119.44 from 119.43.

It is noted that these corrections do not change the previously published monthly and annual rates of change of the indices.
