

HELLENIC REPUBLIC

**HELLENIC STATISTICAL
AUTHORITY**

Piraeus, 10 June 2016

ANNOUNCEMENT

The Hellenic Statistical Authority (ELSTAT) announces that it has revised the data of the 2014 Health Interview Survey, as a result of recalculating the weighting factors with the application of an appropriate trimming procedure to limit their variation.

In this context, ELSTAT will proceed to the publication of a new Press Release on 15 June 2016.
