

## ANNOUNCEMENT

### Greek people trust ELSTAT and consistently rank it among the top institutions contributing to the progress and prosperity of the country

The Hellenic Statistical Authority (ELSTAT) republishes the results of the recent nationwide survey conducted by KAPA RESEARCH SA, which include, inter alia, an assessment of citizens' trust in the institutions of the Greek State, with a distinct reference to ELSTAT. In the survey, announced in April 2024, respondents were asked to answer the following question: **"To what extent do you trust each of the following institutions for the progress and prosperity of our country?"**. The results and the relative ranking, in terms of citizens' trust in the institutions, are presented below, with ELSTAT ranking in the third (3<sup>rd</sup>) place:
