ANNOUNCEMENT

The Hellenic Statistical Authority (ELSTAT) announces that the data of the Household Budget Survey (HBS) for the reference years 2014 and 2015 have been revised as a result of recalculation of the weighting factors after the implementation of an appropriate trimming procedure to limit their variation. The revised tables are uploaded in ELSTAT's website today, Wednesday October 11th 2017, together with the Press Release of HBS of the year 2016.

The Press Releases for HBS 2014 and 2015 will not be revised due to the small changes resulting from the implementation of the above procedure.
