Generally The statistical data presented in this announcement have been compiled on the basis of the linking and processing of primary data from the following sources:

- The final Statistical Business Register of ELSTAT of the reference year 2021.
- Administrative registers of enterprises, of the reference years 2022 and 2023.
- Administrative transactions files (tax, etc) of the reference years 2019 - 2024.

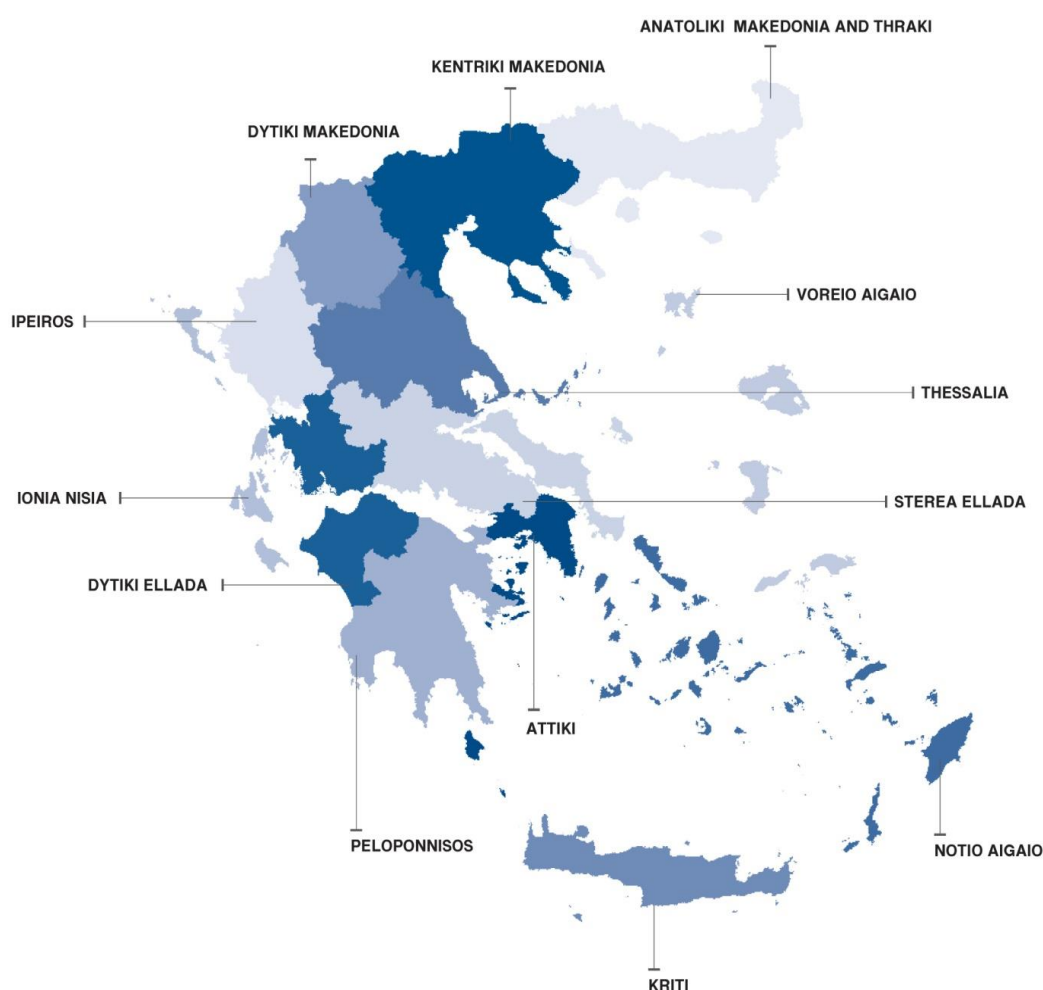

In particular the following primary data have been used per source:

- Active enterprises and the economic activity class from the final Statistical Business Register of the reference year 2021.
- The economic activity class for the enterprises that started their activity after the reference year 2021 and have a significant turnover, from administrative registers of enterprises of the reference years 2022 and 2023.
- Income data from administrative transaction files of the years 2019 - 2024.

It is noted that the geographical classification of enterprises is based on the location of the enterprise's headquarters.

Statistical classifications For the economic activities the European statistical classification of economic activities NACE Rev.2 is used.
