- The economic activity class for the enterprises that started their activity after the reference year 2023 and have a significant turnover, from administrative registers of enterprises of the reference years 2024 and 2025.

Specifically, enterprises from all economic activity sections that were established in 2024 or 2025 and recorded an annual turnover of at least 5,000 thousand euro in 2025 were included in the framework. In particular, for the section “Accommodation and Food Service Activities”, enterprises established in the same period and recorded an annual turnover of at least 500 thousand euro in 2025 were included.

- Income data from administrative transactions files of the reference years 2019 to 2026.
