* Attiki corresponds to the Region and includes all Regional Units that are part of it.

** Extraordinary transactions were recorded in the data. Therefore, they are not published as they are not comparable.

(Single underline): The turnover of enterprises that changed the frequency of data submission to the tax authorities from quarterly to monthly basis is included.

(Double underline): The turnover of enterprises that changed the frequency of data submission to the tax authorities from monthly to quarterly basis is included.

Note:

Enterprises with single-entry accounting bookkeeping are obliged to submit data to tax authorities on a quarterly basis while enterprises with double-entry accounting bookkeeping are obliged to submit data on a monthly basis. Therefore, for the total of enterprises data are available only on a quarterly basis.

Generally The statistical data presented in this announcement have been compiled on the basis of the linking and processing of primary data from the following sources:

- The final Statistical Business Register of ELSTAT of the reference year 2021.
- Administrative registers of enterprises, of the reference years 2022 and 2023.
- Administrative transactions files (tax, etc) of the reference years 2019 to 2024.

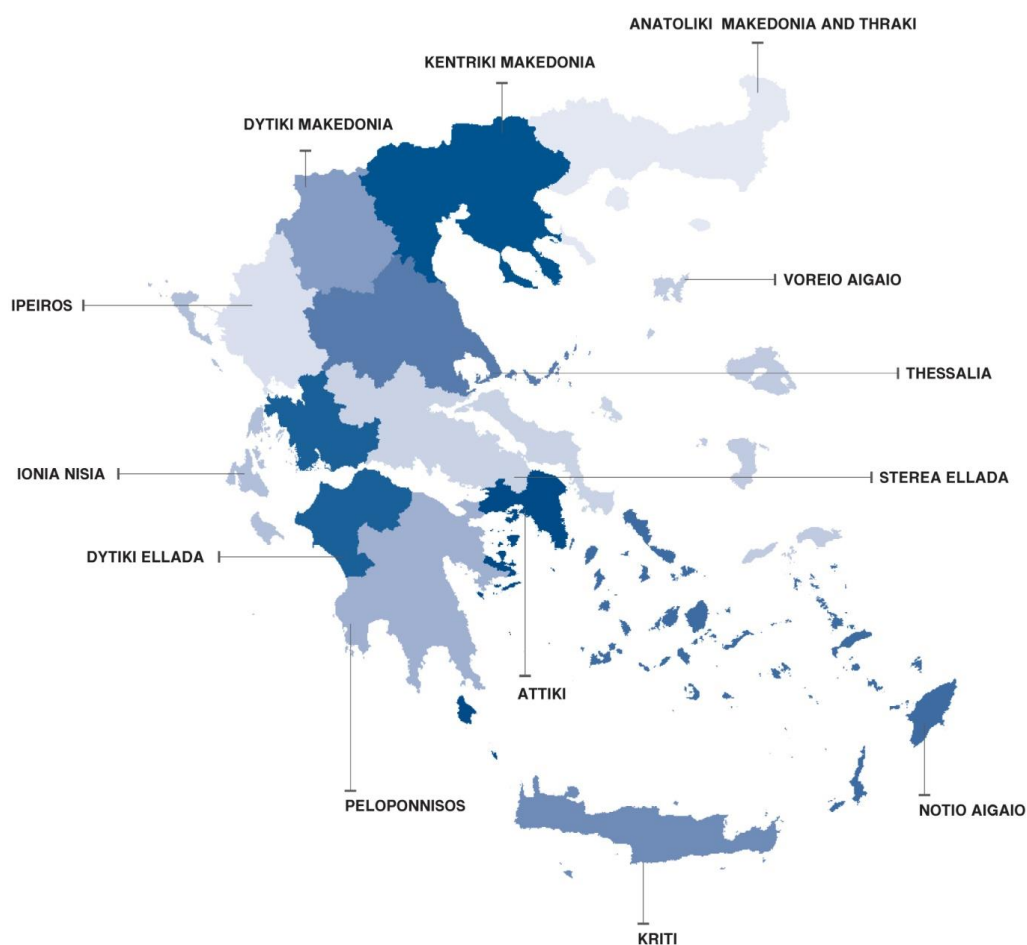

In particular the following primary data have been used per source:

- Active enterprises and the economic activity class from the final Statistical Business Register of the reference year 2021.
- The economic activity class for the enterprises that started their activity after the reference year 2021 and have a significant turnover, from administrative registers of enterprises of the reference years 2022 and 2023.
- Income data from administrative transaction files of the years 2019 to 2024.

It is noted that the geographical classification of enterprises is based on the location of the enterprise's headquarters.

Statistical classifications For the economic activities the European statistical classification of economic activities [NACE Rev.2](#) is used.

Map of the 13 Regions (NUTS 2) of Greece

Reference Period August 2024.

Statistical unit The statistical unit is the legal unit (distinct Tax Identification Numbers (TIN)).

Comparability The announced statistical data are comparable with the data of the final Statistical Business Register of ELSTAT of the reference year 2021 (relevant link from the webpage of ELSTAT where tables and information on the methodology applied are provided [Statistical Business Register](#)).
