

## ISSUING OF MOTOR VEHICLE LICENSES: SEPTEMBER 2024

The Hellenic Statistical Authority announces that in September 2024, 17,935 road motor cars (both new and used from abroad) were put into circulation for the first time, recording a decrease 5.6% compared with the corresponding month of 2023 when the number of road motor cars was 19,008. In September 2023, a 21.6% increase had been observed in comparison with the corresponding month of 2022 (Table 1, Graphs 1,2,3,5). A total number of 10,357 new cars were put into circulation in September 2024 compared with 12,384 in September 2023, recording a decrease 16.4%.

The new motorcycles over 50cc (both new and used from abroad) that were put into circulation for the first time in September 2024 amounted to 7,865, against 5,712 in September 2023, thus recording a 37.7% increase. In September 2023, a 0.6% decrease had been observed in comparison with the corresponding month of 2022 (Table 1, Graph 4). Out of the above motorcycles 7,580 were new, while the corresponding figure in September 2023 was 5,430, recording a 39.6% increase.

During the period January - September 2024, 190,692 road motor cars (both new and used from abroad) were put into circulation for the first time, representing an increase of 3.6% compared to the corresponding period of 2023 when the number of road motor cars was 184,138. During the period January - September 2023 an increase of 12.9% had been observed in comparison with the corresponding period of 2022 (Table 3, Graphs 6,7). Out of the above number of road motor cars that were put into circulation from January to September 2024 116,756 were new, while the corresponding number during the respective period of 2023 was 113,068, recording an increase of 3.3%.

During the period January - September 2024 the circulation of new motorcycles over 50cc (both new and used from abroad) amounted to 66,281 against 55,427 in the respective period of 2023, thus representing a 19.6% increase. An increase of 12.1% had been observed during the period January - September 2023 in comparison with the corresponding period of 2022 (Table 3, Graphs 6,7). A total number of 63,119 new motorcycles were put into circulation, from January to September 2024, compared with 52,511 during the corresponding period of 2023, recording a 20.2% increase.

| <b>Survey on the issuing of new road motor vehicle circulation licenses</b> | The survey on the issuing of new motor vehicle circulation licenses is a census survey. The released data give information, at country level, on the brand and type of the motor vehicle, as well as whether it is new or used. The survey does not include vehicles that move on rails, trolley busses, agricultural tractors and machinery. In addition, the following are excluded: all motor vehicles of the Armed Forces, Police, Fire Brigade, State Services, Diplomatic Corps, Foreign Missions, and Invalids of Wars, as well as motorcycles with a cylinder capacity less than 50 cc.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                      |
