¹ Section C "Manufacturing" and Total include revised data of division 19 "Manufacture of coke and refined petroleum products", as a result of the integration of data concerning the number of companies active in the division which will be recorded in the Statistical Business Register 2022. The relevant data are integrated earlier and additionally within the context of the data of the Statistical Business Register 2019, due to the weight they have on the results of the division.

Note:
Enterprises with single-entry accounting bookkeeping are obliged to submit data to tax authorities on a quarterly basis, while enterprises with double-entry accounting bookkeeping are obliged to submit data on a monthly basis. Therefore, for the total of enterprises, data are available only on a quarterly basis.

Generally The current Press Release provides statistical data on turnover for all enterprises and sectors of the economy.

These statistical data have been compiled on the basis of the linking and processing of primary data from the following sources:

- The final Statistical Business Register of ELSTAT, of the reference year 2019.
- Administrative transactions files (tax, etc) of the reference years 2019, 2020, 2021 and 2022.

In particular, the following primary data have been used per source:

- Active enterprises and the economic activity class from the final Statistical Business Register of the reference year 2019.
- Income data from administrative transactions files of the years 2019, 2020, 2021 and 2022.

Statistical classifications For the economic activities, the European statistical classification of economic activities [NACE Rev. 2](#) is used.

Reference Period June and 2nd quarter 2022.

Statistical unit The statistical unit is the legal unit (distinct TIN).

Comparability The announced statistical data are comparable with the data of the final Statistical Business Register of ELSTAT, of the reference year 2019 (relevant link from the webpage of ELSTAT, where tables and information on the methodology applied are provided [Statistical Business Register](#)).
