Piraeus, 16/2/2015

## **ANNOUNCEMENT**

The Hellenic Statistical Authority (ELSTAT), according to the European Statistics Code of Practice and its revisions policy has announced on 6 February 2015 the list of scheduled revisions of its statistics that will take place in 2015<sup>1</sup>.

In the list of scheduled revisions it is included the revision of Annual non Financial Accounts for the Institutional Sectors.

The revision is due to the completion of work regarding mainly the allocation of gross fixed capital formation and consumption of fixed capital between the non-financial corporations' sector and the Households and Non-profit Institutions Serving Households (NPISH) sector.

With the present announcement ELSTAT informs users that the Press Release of the Revised Annual non Financial Accounts for the Institutional Sectors will be published on 17/02/2015.
