Piraeus, 12 July 2016

ANNOUNCEMENT

The Hellenic Statistical Authority announces the replacement of the Press Releases of Harmonised Price Index for the months March 2016, April 2016, May 2016 and June 2016, after corrections made to HICP-CT index that occurred during the writing of the English version of the press releases.

More specifically, the following correction was made:

The Harmonised index of consumer prices at constant tax rates (HICP-CT, page 7) for March 2016 has been corrected at 98.21 from 92.21.

It is noted that the corrections do not change the previously published monthly and annual rates of change of the indices.
