ANNOUNCEMENT

The Hellenic Statistical Authority (ELSTAT) announces that the publication of the Press Release "Estimated Population and Migration Flows, 2021", which was scheduled for 29/12/2022, is postponed, in order to be compiled on the basis of the final data of the Usual Resident Population¹ of the recent 2021 Population-Housing Census; the processing of the 2021 Population-Housing Census data has been completed, following the announcement of the provisional aggregated results of the usual resident population, in July 2022.

On 30 December 2022, ELSTAT will announce the results of the De jure (Registered) Population² of the Country, which are compiled from the 2021 Population-Housing Census and will be published in the Government Gazette.

¹ The "Usual Resident Population" refers to all persons, irrespective of their nationality and residence status, who have their usual residence, as defined in Article 2(d) of the Regulation 763/2008 of the European Parliament and of the Council, within the Greek Territory.

² The "De jure (Registered) Population", according to Article 3 of the Law 4772/2021 (A' 17), refers to the citizens of each Municipality of the Country, per municipal unit, who have Greek citizenship and reside usually in Greece.
