**ANNOUNCEMENT**

The Hellenic Statistical Authority announces the replacement of Table 02 "Evolution of the Greek monetary unit (yearly), according to the Overall CPI (Table II) (2009 = 100.0)", posted to its website on 11/1/2017.

The calculation of the series of the Table was by mistake based on the annual index of the year 2016 instead of the annual average index of the year 2016.
