

# **QUALITY REPORT**

## **ESSPROS CORE SYSTEM**

**(according to Commission Regulation (EC) No 1322/2007 of 12 November 2007, published in OJ L294, 13.11.2007, p.5)**

MEMBER STATE: GREECE

REFERENCE YEAR: 2011

REPORT ISSUED: 10/07/2013

## **1. Accuracy and Reliability / Geographical coverage**

### **1.1 Coverage of data source\*- (part 1)**

<b>Name of data source</b>	<b>Type of data source used <sup>(1)</sup></b> <i>(see regulation point 1.1.1.1)</i>	<b>Frequency of the data source in months <sup>(2)</sup></b> <i>(see regulation point 1.1.1.1)</i>	<b>Time lag in months <sup>(2)(3)</sup></b> <i>(see regulation point 1.1.1.1)</i>	<b>Schemes covered</b> <i>(please indicate which scheme numbers are covered by this data source)</i> <i>(see regulation point 1.1.1.1)</i>
Social Insurance Organizations	Administrative data	Annually	7	1,2
Greek Manpower Organization	Administrative data	Annually	7	3
Workers Housing Organization	Administrative data	Annually	7	3
Labour Housing Organization	Administrative data	Annually	7	4
Hellenic Statistical Authority National Accounts-Health System Hospitals	Administrative data	Annually	7	5
Local Government Authorities	Administrative data	Annually	N/a	6
Private Insurance Enterprises	Administrative data	Annually	7	7
Banks & Public Corporations	Administrative data	Annually	7	8
General Accounting Office	Administrative data	Annually	7	9
Ministry of Employment and Social Protection- Social Budget	Administrative data	Annually	7	10
Church and non Government Organizations	Administrative data	Annually	N/a	11

1. Please specify: "Administrative data", "Register based data", "National Accounts", "Survey", "Census", "Other". For category "Other", please specify the type.

2. Please specify: "3 months", "6 months", or "12 months" or etc.

3. The time lag is the period between reference year ( 31st of December of reference year) and the moment in which data sources are available.

1.1 Coverage of data sources (part 2) – please note that part 1 and part 2 are in fact one table and have only been separated to facilitate the completion of the table

<b>Name of data source</b> <i>(Please indicate the same data sources as in table 1.1 part 1)</i>	<b>Any additional information regarding this data source (i.e. reports on problems -including delays- which lead to estimation of data)<sup>(4)</sup></b> <i>(see regulation point 1.1.1.1)</i>	<b>Geographical coverage (i.e. which parts of the country are covered by this data source)<sup>(5)</sup></b> <i>(see regulation point 1.2.1)</i>
Hellenic Statistical Authority National Accounts-Health System Hospitals	Scheme 5 The Public (National Health System) include the military hospitals. Due to confidentiality reasons the military hospitals do not respond. We provide an estimation concerning data for the military hospitals	Full coverage
Local Government Authorities	Scheme 6 The last survey research concerning the data collection of social protection on revenues and expenses of municipalities was conducted in 2001. Since all required data was estimated annually.	Full coverage
General Accounting Office	Scheme 9 Estimated data concerning the European Co-financed Development Programmes for Social Protection	Full coverage
Social Insurance Organization	Scheme 1,2 Estimated data concerning disability, anticipated old age and survivors pensions	Full coverage
Ministry of Employment Social Insurance and Protection	Scheme 10 Estimated data concerning Social Budget year 2011 . Last available data for year 2009	Full coverage
Workers Housing Organization	Scheme 3 No data available for year 2011 (same data as of 2010)	Full coverage

4. Please fill in this column only in cases of: delays, data source containing estimations, incomplete coverage for some schemes. In cases of incomplete schemes, please specify the code of Expenditure, Receipts, and Benefits that are not covered.

5. Please indicate "Full coverage" if the data source covers the whole country. If the data source contains data for some regions only, please specify the region.

1.2 Where appropriate (e.g. if cross-sources are used), please indicate the benefits concerned by the different types of data sources (see regulation point 1.1.1.1)

<b>Scheme concerned</b>	<b>Benefit concerned</b>	<b>Data sources cross-covering the benefits</b> (please, specify at least two data sources)

1.3 Geographical comparability\* (see regulation point 1.2.1)

<b>Degree of coverage in terms of schemes<sup>(6)</sup></b> (if there are cases of schemes only partially covered or schemes missed or not available)	<b>Degree of coverage in terms of receipts, expenditure and detailed benefits</b> (if part of expenditures, receipts or detailed benefits are not available)	<b>Cases of non-application of the ESSPROS methodology in the form of a comprehensive list</b> (whether there are cases (both schemes and benefits) of possible non-adherence with the ESSPROS methodology: provision from specific sources, for example, could imply the use of definitions and methodologies not in line with our Manual)

\* Please note that this table is referred to coverage and consistency with ESSPROS methodology of final figures.

6. If a scheme is completely missing in the final figures; please specify its number in the first column and in the second column specify "Missing". If only some expenditures, receipts or benefits of a certain scheme are missing in the final figures, please specify in the first column the number of the scheme and in the second column the codes of items that are missing.

**2. Methodologies and assumptions used in the estimates of statistics** (see regulation point 1.1.1.2)

Scheme	Estimates for schemes on which no data are available <sup>(7)</sup> <i>(please explain methodologies used for all estimations)</i>	Estimates for missing receipts, expenditure and detailed benefits, if: <i>(please explain methodologies used for all estimations)</i>	
		(a) data are completely lacking	(b) the breakdown for one benefit or group of benefit is missing <sup>(8)</sup>
Local Government Authorities		Scheme 6 The last survey research concerning the data collection of social protection on revenues and expenses of municipalities was conducted in 2001. Since all required data was estimated annually based on annual rate of inflation. The transferred grants to Local Governments and Authorities are available by the Ministry of Interior Affairs.	
Church and non Government Organizations		Scheme 11 The last survey research about Greek Church activities and government controlled organizations concerning the data collection of social protection on revenues and expenses was conducted in 2001. Since 2002 all required data was estimated annually based on the last conducted research survey of 2001	

		mentioned previously and the annual rate of inflation	

7. If a scheme is completely estimated, please specify the methodology in the second column. If only some expenditures, receipts or benefits of one scheme are estimated, please specify the methodology in the third or fourth column.

8. E.g. breakdown of one benefit into means-tested and non-means-tested benefit or breakdown of a cash benefit specific to one function into several detailed benefits.

**3. Revision of statistics** (In the first column, please indicate the scheme involved, in the second column, the items involved, then tick with an 'X' the column that corresponds to the type of the revision and, where it is the case, please describe in the last column each revision with a few words, specifying if it is extraordinary (very rare) or ordinary (it can happen regularly). (see regulation point 2.1.3))

Scheme	Items	Type of revision					Details on the revision
		Changes in the data sources used <sup>(9)</sup>	Changes in the methods used for estimating data <sup>(10)</sup>	Revisions of data due to conceptual adjustments <sup>(11)</sup>	Revisions of data due to availability of final statistics <sup>(12)</sup>	Other revisions of data (e.g. due to quality review actions)	

9. E.g. changes in the set of the data sources (new data sources, disappearing of an old one); additional information supplied by certain data sources; other changes in data sources.

10. E.g. changes in the methods used, revised methods to put the information supplied by data sources in line with the ESSPROS methodology or other changes in methods.

11. E.g. changes in the ESSPROS methodology; in the social protection system; in classifications or definitions other than ESSPROS; etc.

12. E.g. final figures are provided by the data sources; or provisional estimation are replaced by information that was missing in the last data collection; etc.

#### **4. Other information related to Quality**

##### **4.1 Quantitative data**

--

#### 4.2 Qualitative information\*

--

*\*E.g. If there are some items not covered by QI, please specify the reason and, if it is possible, their relative importance in respect to the total expenditure, etc.*

#### 4.3 Dissemination policy in the country\*

Are these data published in your country? <sup>(13)</sup>	At what timeliness? (in months) <sup>(14)</sup>	State any specific publication (and eventually the link)	Are they part of regular publications? (yes or not)

*\*Optional*

*13. Please specify "yes everything", "yes, only the following part...", "yes, but not in the ESSPROS format" or no". In case of "yes, but not in the ESSPROS format", please explain.*

*14. Please specify how many months after the period of reference the data are published (the period of reference for this collection was 31<sup>st</sup> December of reference year).*
