PRESS RELEASE
EVOLUTION OF TURNOVER OF ENTERPRISES IN
ACCOMMODATION AND FOOD SERVICE ACTIVITIES SECTION
MAY 2020

The Hellenic Statistical Authority (ELSTAT) with this ad hoc sectoral publication, presents the map with the evolution of the turnover of enterprises classified in the **Accommodation and Food and Beverage Service Activities** divisions. These economic activities have been over time in the focus of interest due to the significant weight they bear on the Greek economy as a whole, but also due to their extensive dispersion, with a significant presence in all regional units and a significant contribution to the respective local economies of Greece, often associated with the tourist product of the country. At the same time, under the recent circumstances, the monitoring and dedicated publication of the evolution of these economic activities has become imperative, given the direct and indirect adverse impact they have been subjected to, due to the pandemic of coronavirus disease 2019 (COVID-19).

The current publication is part of the ad hoc Press Releases series published by ELSTAT ([PR link](#)), since April 2020.

Similar publications have been planned to be released on a monthly basis, throughout the whole period during which the regular monitoring of the evolution of the turnover of enterprises providing Accommodation, Food and Beverage Service Activities will remain relevant and warranted.

In particular, the Hellenic Statistical Authority (ELSTAT) announces data on a monthly and quarterly basis and at the regional unit country-level of analysis, for the turnover of enterprises classified in the divisions Accommodation, Food and Beverage Service Activities (divisions 55 and 56 of the NACE Rev.2 classification) for the period 2019-2020.

The published data can highlight, at a detailed local level, the current evolution in the performance of enterprises having activity in key classes of the tourism sector and thus provide quick and highly relevant information on the evolution of the tourist product of Greece.
