Survey on Tertiary Education consists of two domains: i) University Sector including Tertiary Universities, Polytechnic Schools, the Athens School of Fine Arts and ii) the Education Technological Sector including the Technological Educational Institutes (TEI), the School of Pedagogical and Technological Education (ASPETE), the Academies of Merchant Shipping, Ecclesiastical Academies, Schools of Service and Artistic Schools). According to Laws 4559/2018, 4589/2019 and 4610/2019 Technological Educational Institutions (TEI) were abolished. However, undergraduate students that entered TEI in the academic year 2018/2019 or in previous academic years, have the right to graduate as Technological Education graduates, as they attend classes from the TEI curriculum which was in place when they entered Tertiary Education. For this reason, in the academic year 2019/2020, despite the abolition of TEI, enrolled and graduate students of TEI still appear in the tables.

> The current survey is conducted annually by all Member States of the European Union. The aim is to collect data on enrolled undergraduate, postgraduate and doctorate students, undergraduate and postgraduate students that graduated, as well as the number of the teaching staff.
